

Dawood Public School
Syllabus for Final Examination 2018
Mathematics
Class VII (A, B, C, D, E, F)

BOOK 1:

1. Chapter # 4 Estimation and Approximation
2. Chapter # 7 Algebraic equations and simple inequalities
3. Chapter # 8 Perimeter and Area of simple Geometrical figures
4. Chapter # 9 Volume and Surface Area
5. Chapter # 10 Ratio, Rate and Speed
6. Chapter # 11 Percentage
7. Chapter # 15 Angle properties of Polygon

ADDENDUM:

1. Symmetry

BOOK 2:

1. Chapter # 3 Expansion and Factorisation of Algebraic expressions
2. Chapter # 5 Simultaneous Linear equations
3. Chapter # 6 Pythagoras theorem
4. Chapter # 8 Graph of linear equations in two unknowns
