

Dawood Public School
Syllabus for Final Examination 2017-18
Chemistry
Class IX

1. Kinetic Particle Theory
2. Measurement And Experiment Techniques
3. Separation And Purification
4. Elements, Compounds And Mixtures
5. Atomic Structure
6. Ionic ,Covalent And Metallic Bonding
7. The Periodic Table
8. Writing Chemical Equation
9. Qualitative Analysis
10. The Mole
11. Chemicals Calculations
12. Acids, Bases And Salts
13. Types Of Oxides
