Capturing images for everlasting memory...

The art of expert photography with “O’Shoot Photography Boutique” will focus on the skill required for the beatified images which are scattered in our glossy art world. The marvel of the image is uncovered right here, at DPS Saturday School as students connect with their aesthetic trend within by learning artistic, creative and technical abilities with a range of photographic equipment and technology.

Be it android smartphones, digital cameras or professional DSLRs, the appreciation for detail and effect is a skill for everyone!
