

Roller Skating

A Levels

The world whizzing on wheels....a fun filled sport that fine tunes balance, coordination and muscle control. Skating is the perfect way to combine fitness with fun. Students will learn agility and dexterity over challenging across the expanse of the DPS campus.

Students may bring their own skates and gear if they have it. However, an Instructor Approved complete kit (skates and protective guards) will be available at the Saturday School Campus Office for Rs 3550/- only
