

Young Journalists

Secondary

Researching news-worthy proceedings, speaking in front of the camera, blogging, conducting interviews and covering interesting events are all platforms for enhancing personal potential and increasing self confidence. Consequently, Media Sciences have become an integral part of the 21st century environment and awareness about local and global issues is essential for ambitious students today.

The Development Minds Academy, a creatively inclined institution has joined hands with DPS Saturday School to provide expert training sessions for these skills intermingled with fun and entertainment.
